**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the USDF Member Guide or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2019**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

**How to Join USDF**

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

- On the USDF website: [www.usdf.org](http://www.usdf.org). You can submit the application online or download the form and fax or mail it to the USDF office.
- In the show office at USEF-licensed/USDF-recognized competitions classified by USEF as Dressage Competitions, and Regular Competitions which are open to all breeds.
- By calling or writing the USDF office at (859) 971-2277, 4051 Iron Works Parkway, Lexington, KY 40511

The effective date of membership is the date the form and correct fees are received in the USDF office or, if applying at a competition, the date accepted by the competition secretary, provided the application is signed and dated by the competition secretary, member, and/or horse owner on that same day.

EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed, and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Preliminary Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. Minors who have a valid temporary license may operate the above described motorized vehicles if they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense.

Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. #### **Ranch Horse**

The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse working outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure Horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back. Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

- **RANCH RIDING:** Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance. Overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.

#### **Road Hack**

To be shown at a walk, trot, road trot, canter and hand gallop. At any time during the class the judge may ask the horse to halt and walk off on a loose rein. For safety reasons, the judge may limit the number of horses to hand gallop at one time. Excessive speed at the hand gallop should be penalized. To back readily. To be judged on performance, with proper cadence and balance, manners and suitability for a road hack 60%; type and conformation 40%.

**Side Saddle Specifications** Conduct 1. Competitors enter the ring in a counterclockwise direction at the trot or jog-trot. 2. When entries warrant, it is recommended that sidesaddle classes be divided into English or Western. 3. Safety is of the utmost importance in tack and attire; judges should penalize exhibitors not conforming to good safety practices. 4. It is suggested that horses line up head-to-tail the length of ring. 5. Horses should back readily if requested by the judge and stand quietly.

Appointments 1. Tack a. Bridle: Appropriate to style of attire. b. Martingales or tie downs are prohibited. c. Saddle: Appropriate sidesaddle, to style of attire. 2. Attire: a. English (Hunter, English Show Hack, or Saddle Seat), Western or Period. If a shirt is worn as part of Western attire, it must be long sleeved. Jackets are allowed as part of any style attire. Skirt, divided skirt or apron, hat, and boots are required. Period attire is acceptable and encouraged to be researched as to the authenticity of the entire costume. Hat and boots required. b. Spur, whip or crop optional, at the exhibitor's discretion. c. Competitors must be penalized for incomplete appointments but not necessarily disqualified.

Qualifying Gaits 1. A good ground-covering walk, a comfortable trot or jog-trot, and easy flowing canter or lope is desirable. 2. The side saddle horse should give the distinct impression that it is a comfortable mount to ride. 3. Transitions from one gait to another should be smooth and effortless. Riders may sit or post to the trot.

- Ladies Side Saddle Class Specifications: OPEN, AMATEUR. To be shown both directions at the walk, trot or jog-trot, canter or lope. Horses should back readily if requested by the judge and stand quietly. To be judged 85% on manners, performance, suitability, quality and conformation; 15% on appropriate side saddle attire. Manners and suitability of purpose shall be emphasized. (Suitability refers to the horse being suitable as a sidesaddle mount.

### **Sport Horse**

Quality movement is a priority in the Sport Horse class. All gaits should be pure in rhythm, and should be without tension or resistance.

- UNDER SADDLE: To be shown at the walk, trot and canter both directions of the ring. Judge may request lengthening of the stride at any gait and may request horse to back in the lineup. To be judged on performance (purity and quality of gaits), manners, conformation, suitability as a Sport Horse and quality. For appointments and attire, see USEF MO186 and MO187.

Equipment, attire and presentation must match the discipline being ridden and the class entered. Rim pads on Classic horses may be checked by the show steward. Protective headgear is acceptable with any attire. One attendant without whip per entry will be permitted in the lineup and will be called in by the announcer. Horses may enter other classes in any Section, providing the requirements for that Section are met. Cross entering between Classic Pleasure and English Pleasure is not permitted

### **Western Pleasure**

To be shown under Western tack at a walk, jog trot and lope with light rein, but still maintaining contact with the horse's mouth. The judge may ask for an extension of any gait. All horses being considered for a ribbon must be required to back. The winner and any other horse(s) may be asked to drop their bridles for inspection upon leaving the ring. See USEF WS103. In Open, Gentlemen and Youth classes, horses to be judged on manners, performance with proper cadence and balance, quality, presence and apparent ability to give a good pleasure ride with emphasis on manners and gait 60%; type and conformation 40%. What you will need – Come prepared and have a fast, pleasant experience.

**1. A Negative Equine Infectious Anemia (EIA) Certificate**

*Also known as “Coggins.” Have an accredited veterinarian take a blood sample and send it to a lab for tests. When the tests are negative, a Coggins (or EIA) certificate will be returned. The document must be completed and signed by your veterinarian and endorsed by a Canadian Food Inspection Agency (CFIA) or a United States Department of Agriculture (USDA) veterinarian. Talk to your vet about the time frame needed for this process. The Coggins certificate is valid for 6 months (180 days) from the date that the blood sample was taken.*

**2. Health Certificate**

*The veterinarian will examine your horse, in conjunction with taking the blood sample. The Coggins test must be negative before a Health Certificate will be issued. This certificate must be signed by both your vet and a CFIA or USDA veterinarian. The Health Certificate is valid for 30 days from the date of issue. You can take your horse across the border as many times as you like within that 30 days.*

**3. A Supplementary Declaration or Certification sheet**

*In order to help control the outbreak and spread of CEM, this new supplementary declaration will be attached to your Health papers. Part A is for those travelling across the border for exhibition purpose- training, showing, rodeos, etc. Part B is for those travelling across the border for breeding purposes. This form is provided by CFIA when the Federal Vet approves the Health Certificate. A new supplement is required each time you cross from Canada into the U.S., so ask for as many supplements as you’re going to need or make copies. The USDA does not provide this Supplementary sheet as their Health Certificates include a statement regarding CEM.*

**4. Copies of each certificate.**

*Most ports of entry require a copy of all or some of these documents. The customs officers at the border may or may not be willing to make photocopies of the documents, and a fee could be levied. Better to be prepared and take copies with you. Always keep the original.*

*Stop at both the Canadian Customs Office as well as the U.S. Customs Office. Have the Customs Officers stamp the “date of exit” on the Supplementary Declaration. Some U.S. border agencies do not recognize this form and although there is a spot for them to stamp (either/or), they may not and will send you back to the Canadian Customs Office. This protocol is not consistent, so cover all your bases and stop at both.*

*Show the Customs Officers the Health and Coggins Certificates and provide copies for those that need them. Requirements can vary from one Customs Office or port of entry to the next, so be prepared.*

*Upon the horse’s return to Canada or the U.S., stop at both Canadian and U.S. Customs Offices again. When you return to Canada or the U.S. within 30 days of the date of entry into either country, no veterinary inspection is required at the border. Horses may enter/re-enter at any port of entry.*

*Have the Supplementary Declaration stamped again at the Canadian Customs Office. You will be required to sign the declaration stating that the horse was not bred (Part A) and travelled only to the “address of destination” as stated on the Health Certificate. If you bred your horse, you will need a USDA accredited veterinarian’s signature on the form (Part B) and that of a USDA vet at the border upon return to Canada.*
