

42nd Annual
Key Classic
Benefit Horse Show
Evergreen Equestrian Park
Monroe, WA
May 10-13, 2018
Benefiting EQuest Special Riders

KEY CLASSIC FACT SHEET

What is the Key Classic Benefit Horse Show? The Key Classic Benefit Horse Show is one of two horse shows sponsored each year by the Morgan Horse Club of Washington State. This is the 42nd Anniversary of the Key Classic Benefit Show. It is a four day show that offers classes in Dressage, Driving, Western, Saddle Seat, Hunter, Halter, and other disciplines as well as social activities for everyone who attends.

How many people attend the Key Classic Benefit Show? The show is open to anyone interested in horses and is free of charge. Approximately 400-500 people participate in and attend the show each year during the 4-day event.

What is the benefit to our youth? Showing a horse at a horse show teaches kids responsibility, teamwork, and perseverance. They learn the spirit of competition, to develop relationships with others, and they gain confidence that transfers to other parts of their lives.

What is the Morgan Horse Club of Washington State? Our club was started to promote the Morgan Horse Breed in Washington State and to provide Morgan horse owners with a place to enjoy their horses. It is affiliated with the American Morgan Horse Association. We sponsor horse shows to provide our members with an opportunity to show off our majestic, athletic, and intelligent breed. We are a 501 c 7 not for profit organization.

What is an OTAB Class? An Open To All Breed Class offers any breed an opportunity to participate in our show. It is our way of supporting the Equine community in our area since many breeds do not have horse shows specific to their breed.

What is EQuest Special Riders, Inc.? EQuest is a 501(c)3 nonprofit organization (tax ID # 91-1220703) which uses horseback riding to promote physical and mental strength, coordination and self-esteem for individuals with disabilities. The Key Classic Horse Show is an important source of their annual revenue and a substantial portion of the show proceeds go to EQuest each year.
